HEALTH AUTHORITY

Faculty Disclosure Form

Health Authority – Abu Dhabi (HA-AD) as a non for profit accrediting organization of Continuing Medical Education & Continuing Professional Development (CME/CPD), must ensure balance, independence, objectivity, and scientific rigor in all its individually sponsored or jointly sponsored educational activities.

Faculty participating in HAAD-accredited activities are expected to disclose to the activity audience any significant financial interest or other relationship (1) with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in an educational presentation or related to the topic of that presentation and (2) with any commercial supporters of the activity. (Significant financial interest or other relationships can include such things as grants or research support, employee, consultant, major stockholder, member of speaker's bureau, etc.).

The intent of this disclosure is not to prevent a presenter with a significant financial or other relationship from making a presentation, but rather to provide listeners with information on which they can make their own judgments. It remains for the audience to determine whether the speaker's interests or relationships may influence the presentation. In addition, presenters must make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices

TERMS AND CONDITIONS FOR FACULTY

REGARDING COMMERCIAL SUPPORT RULES

1. **Disclosure**

Speakers/authors must complete and submit the Disclosure Statement attached prior to the presentation, and ensure that the Disclosure Statement is complete and truthful to the best of the presenter's knowledge. Faculty members are required to disclose any financial relationships they may have with a manufacturer of any product, or class of products they discuss or are related to the topic of an educational activity.

2. **Fair Balance**

Speakers/authors are required to prepare fair and balanced presentations that are objective and scientifically rigorous.

3. **Unlabeled and Unapproved Uses**

Presentations that provide information in whole or in part related to non-FDA approved uses for drug products and/or devices must clearly acknowledge the unlabeled indications or the investigational nature of their proposed uses to the audience. Speakers/authors who plan to discuss non-FDA approved uses for commercial products and/or devices must advise the *Health Authority of Abu Dhabi* and the audience of their intent.

4. **Use of Generic and Trade Names**

Presenters should use scientific or generic names when referring to products in their lectures or enduring materials. Should it be necessary to use a trade name, then the trade names of all similar products or those within a class should be used.

5. **Reporting Scientific Research** - results of research must be accompanied by a detailed outline:

The research must conform to the generally accepted standards of experimental design, data collection and analysis

6. **Commercial Supporter Influence**

Faculty members are not permitted to receive any direct remuneration or gifts from the commercial supporter(s) of CME/CPD activities as it relates to this specific activity, nor should they be subject to direct input from a commercial supporter regarding the content of their presentations.
